Intro + 3 x (B + V + C) then repeat last line of Chorus - Pause at "Somewhere"

1 To the coast of Northumberland I'll always turn.
To Bamburgh and Beadnell and the Island of Farne,
I'm going back to the land of my birth,
And there's no fairer girls than the ones from the north.

CHORUS

*Jenny come near to me, Jenny be mine,
And well settle down somewhere north of the Tyne.
Jenny come near, Jenny be mine,
And we'll settle down somewhere north of the Tyne.*

2 There's a road to the south, it's the way some have gone.
But life there is hard when the rat race is on.
My road is leading towards Carter Bar.
And the girls in the north they are fairer by far.

CHORUS

3 So it's back to Northumberland now I will go;
To someone who's waiting, to the places I know.
I'm going back to the land of my birth,
And there's no fairer girls than the ones from the north.
