Intro then 3 x (Verse+Chorus)

1 She's an ordinary lass you might say.
But I never see her that way.
Like when she's very close to me, there's magic in the air.
And even if the snow is fallin', man! it's like the Spring was here!

*I cannot say just what it is about her.
There's more than the eye can see.
I cannot think what I would do without her.
There'll be no-one else for me.*

2 (SHE) He's an ordinary lad, you might say.
But I never see him that way.
There's lads that make more money and, as far as I can see,
There's plenty more about that may appeal to some, but not to me.

*I cannot say just what it is about him.
There's more than the eye can see.
I cannot think what I would do without him.
There'll be no one else for me.*

3 (HE) She's an ordinary lass, you might say.
But I never see her that way.
I'm just a simple chap, you see it gives me heart a treat
To catch her eye and see her smile across an ordinary street.

*(BOTH) I cannot say just what it is about you
There's more than the eye can see.
I cannot think what I would do without you
There'll be no one else for me*
